

Agreement

for

STACKS - CHIMNEYS

PREAMBLE

I. This Agreement is made and entered into this 15th day of October, 1982, between the signatory Employers, hereinafter called the EMPLOYERS, and the laborers' international Union of North America, AFL-CIO; United Brotherhood of Carpenters and Joiners of America, AFL-CIO; and international Association of Bridge, Structural and Ornamental Iron Workers, AFL-CIO, hereinafter called the UNION.

This Agreement supersedes the Chimney and Stack Agreement dated January 1, 1971, with the Laborers' International Union and the Composite Agreement between the parties signatory hereto and also supersedes the Stacks-Chimneys-Silos Agreement dated November 10, 1971..

SCOPE OF AGREEMENT

II. This Agreement shall be in effect within the boundaries of the United States, and covers the field construction by jump or slip method of hollow concrete columns, such as chimneys. The provisions of this Agreement shall include the construction of chimneys and chimney liners of any materials normally unstalled by the signatory crafts, and the repair and demolition of any of the aforementioned structures.

UNION RECOGNITION

III. The EMPLOYERS recognize the UNIONS as the sole and exclusive bargaining representatives for all employees performing work coming within the recognized trade jurisdiction of the respective UNIONS.

PRE-JOB CONFERENCE

IV. Prior to the start of work at a jobsite, a pre-job conference will be held with representatives of the appropriate Local and International UNIONS.
